

# The Jahrbuch

for the raw and building material industry, their supplier and service provider

A practical reference book with permanent-utility value

## STEINBRUCH UND SANDGRUBE

### Why Why you shouldn't be missing in this issue?

Whenever new, spare- or modernization investments line up, the July issue of *Steinbruch und Sandgrube* offers the decision makers of the raw and building material industry a good market overview. The supplier chart represents „who supplies what“. The company portrait offers the information depth: Core competency and auxiliary services of the offerer.

### When will the Jahrbuch be published?

Publishing date: 16. July 2012  
Deadline: 22. June 2012

### What does the company portrait costs?

As advertiser of a full page in *Steinbruch und Sandgrube*, issue 7/2012, you will get the company portrait for **free**. If you have an advert of ¼ page and bigger booked, you will pay 425€ for the company portrait. Otherwise you have to pay 850€ for the company portrait incl. Listing in the chart part.

### How can you sit in on it?

Fill out the appropriate forms and send them back to us! You will find the forms attached or in the Internet: [www.steinbruch-und-sandgrube.de](http://www.steinbruch-und-sandgrube.de) or we send you the forms!

We arrange your company portrait! Of course you will receive a proof sheet for release before publishing. If you have any questions, do not hesitate to contact us.

## Who offers what?

## Mark with a cross where applicable

### Production technology for Unconsolidated and solid rock and coarse crushing of natural stone

- Complete drilling equipment and – drilling rigs
- Mounting drilling equipment
- Drilling tools
- Explosives
- Ignition systems
- scarifier teeth
- Hydraulic hammers
- Knäpperkugeln
- Suction dredger
- Cutter heads
- Multi-bucket excavator
- Scrapers
- Swimming grap dredger
- Pumps
- Pontoons
- Surface Miner/milling
- Scrapedozers
- Scraper
- .....

### Plants and components for the processing and refinement of granulations from natural stone, gravel and sand as well as mineral building debris

- Stationary complete systems
- Semi-mobile systems
- Mobile crushing equipment
- Mobile screening equipment
- Jaw crusher
- Cone crusher
- Vertical crusher
- Impact crusher
- Rotor centrifuge crusher
- Impact rolling crusher
- Hammer breaker
- Mills
- Circular vibratory screens
- Linearly vibratory screens
- Eccentric screens
- Elliptically vibratory screens
- Fine-screen technology
- Drum screens
- Screen decks
- Separating saws
- Cyklones
- SORTING TECHNOLOGY /Hydro-classifiers
- Bucket-wheels
- Log washers
- Turbo washers
- Up-current Classifier
- Typesetting machines
- Extraction Technology
- Water treatment/clarification technique
- Chamber filter presses
- Magnetic separators
- Air classifier
- Optical sorting systems
- Dryer
- Dust collection technology
- .....

### Transportation engineering (continuous)

- Complete conveyor systems
- Accessories for conveyors
- loading unloading systems (truck, ship, train)
- Conveyor belts generally
- Special belts for special tasks

- Dedusting technique for conveyor systems
- Idler rolls
- Swivel rollers
- Wiper systems
- Belt cleaning components
- Roller screens
- Slat conveyors
- Scratching chain conveyors
- Overband magnets
- Dust covers
- Repair sets
- Maintenance of conveyor plants
- .....

### Camps, loading and metering

- Carriages
- Box systems
- Movable walls
- Containers
- Silos
- Individual components for bunkers
- Silo outlet zones
- Gutters
- Screws
- Metering screw
- Dryer
- Underfloor discharging systems
- Feeder
- Mixing plants
- .....

### Machine and plant control and – monitoring, Measurement and balancing technology for all ranges

- Level measuring technique
- Components for the process automation
- Plant controls
- Process control
- Weighing units
- Load cells
- Moisture measurement instruments
- Temperature sensor
- Branch software
- Weighbridges
- Wheel loader weighing
- Side dumper weighing
- Rear space monitoring
- Logging
- Laser scanner
- Bench face surveying with laser
- Bench face surveying with photogrammetrie
- Documentation
- Machine control systems
- GPS satellite systems
- Diagnostic systems
- Protection systems for construction machines
- .....

### Environmental technology for plant construction within all ranges of the raw and building material industry and construction machines

- Dedusting technique
- Waste concrete recycling plants
- Wash water processing
- Dust Suppression Systems
- Particle filter
- Filtering media
- Measuring technique

### Construction machines

- Large hydraulic excavators
- Chain excavators
- Mobile excavators
- Telescopic excavators
- Mini excavators
- Short tail excavators
- Excavator loader
- Tracked loaders
- Wheel loaders
- Compact loaders
- Articulated loaders
- Dozers
- Low-bed trailers
- Heavy –duty trailers
- Dump truck
- Dumper
- Truck/tractors
- Semi-trailer
- Superstructures
- Three-side dumper
- Hook lifts
- Knuckle boom cranes
- Material loading equipments
- .....

### Attachments and accessories

- Quick coupling systems
- Crane buckets
- Loader buckets
- Hydraulic hammers
- Hydraulic cutters
- Grapples
- Shears
- Pulverizers
- Plate compactors
- Vibrators
- Shovel separators
- Cultivation jaw crusher
- Cultivation screen units
- .....

### Drive technology and aggregates

- Transmission gear
- Engines
- Drum motors
- Gear wheels
- Axles
- Drive shafts
- Clutches
- Brakes
- Frequency converters
- Generators
- Conversion kits on alternate fuels
- .....

### Accessories, parts subjekt to wear, services and safety equipment

- EM-tyres
- Tyre-protection chains
- Tyre service
- Crawler Tracks
- Teeth and cutter bars
- Hydraulic hoses
- Hoses for concrete and mortar pumps etc.
- Linings for crusher, mills etc.
- Screening surfaces
- Crusher jaws
- Cold- and hot vulcanisation
- Driver seats
- Filters for engines

- Central lubrication plants
- Lubricants
- Radio telecontrol
- Belts and belt protection materials
- Special tools for maintenance and service
- Slings equipment
- .....

### Asphalt technology

- Asphalt machines for mixing – stationary
- Asphalt machines for mixing semi-mobile
- Asphalt machines for mixing mobile
- Mixer
- Burner
- Bitumen tanks
- Accessories and service
- .....

### Concrete technology and mortar production

- Concrete machines for mixing stationary
- Concrete machines for mixing semi-mobile
- Concrete machines for mixing mobile
- Mixer
- Concrete pumps
- Mortar pumps
- Vibrating tables
- .....

### Building material production generally

- Cement production
- Gypsum production
- Lime production
- Brick production
- Lime sandstone production
- Aerated concrete production
- .....

### Mobile rooms and building site facilities as well as protective equipment and clothing

- Containers
- Sanitary facilities
- Maintenance vehicles
- Signal and isolating equipment
- Tank trucks
- Storage containers
- Work clothing generally
- Special safety clothing
- Safety footwear
- Helmets
- Eyeglasses
- PSA in each form
- Belts
- .....

### Other

- Exhibitions and events
- Consultancy
- Planning
- Further education
- Lobbying
- Literature
- .....

### Free column

- .....
- .....
- .....

### Portrait of companies and suppliers

You can use the opposite form for your company portrait or call up under [www.steinbruch-und-sandgrube.de](http://www.steinbruch-und-sandgrube.de) in the internet.

Of course you have the possibility, to omit individual points of question and/or to change them demand actuated.

In your company portrait you can also publish up to 3 photos – as far as your text makes it possible. Please send us the photo material + logo as digital artwork in jpg, tiff or Eps formats, best by email to: [technik@schluetersche.de](mailto:technik@schluetersche.de)

The template for the supplier chart you can order digitally or you can use the interior of this folder.

Postal returns send to:  
Schlütersche Verlagsgesellschaft  
mbH & Co. KG  
Verlagsbereich Technik-Medien  
D-30130 Hannover

### Hereby we book a company portrait in **STEINBRUCH UND SANDGRUBE**

#### Issue 7/2012 „Who offers what?“

at the price of \_\_\_\_\_ (mark with a cross please)

0,- € because we have booked a full page in the July issue of STEINBRUCH UND SANDGRUBE

- 425,- € + VAT. Because we have booked a 1/4-page advertise or a larger format (until 1/1 S.)
- 850,- € + VAT. (= standard price)
